

Chetak

Passenger transport

Chetak, with a comfortable cabin served by four doors is an ideal transport helicopter for a pilot and six passengers. In its VIP version, with the reduction of one seat the interior converts into a plush spacious cabin with greatly reduced noise level, carpeted floor and bucket seats. The VIP version is also fitted with foot-rests with women and aged passengers in mind. Two fans are provided to enhance passenger comfort.

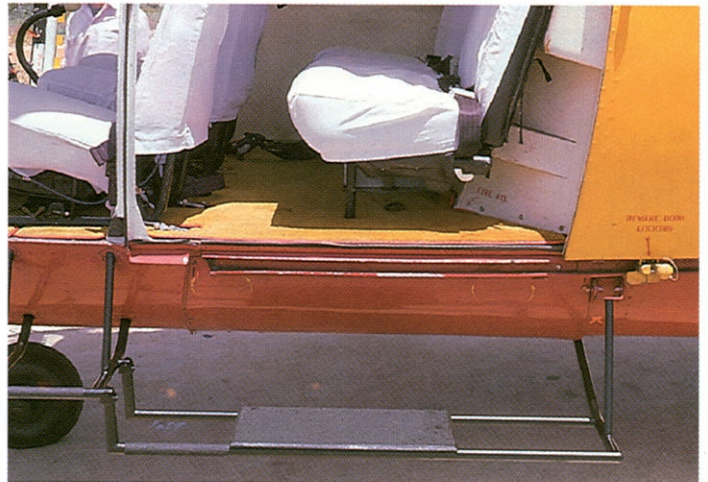

The helicopter comes fully equipped with following avionics and other equipment:

- ▶ V/UHF communication system COM105A
- ▶ Automatic Direction Finder (ADF) system ARC 610A
- ▶ Inter-communication system TFAP 6F
- ▶ Battery temperature warning system
- ▶ First aid kit
- ▶ Fire extinguisher

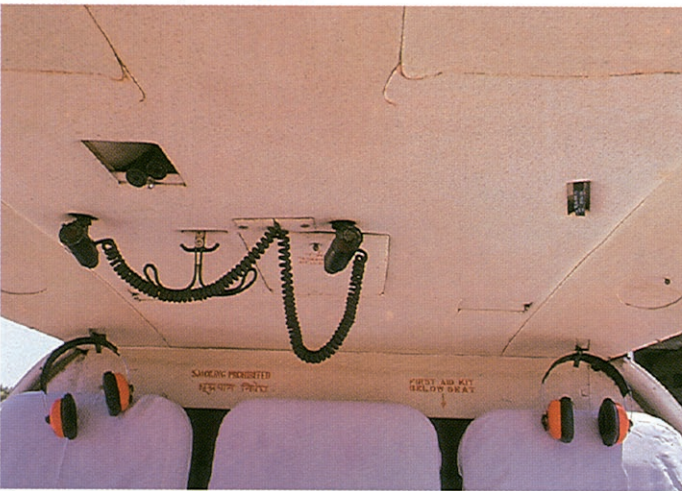

- ▶ Fire axe
- ▶ Cabin fans - 2
- ▶ Strap assembly
- ▶ Sound proofing installation including upholstery (VIP version)
- ▶ Carpet installation
- ▶ VIP passenger foot step assembly
- ▶ VHF (FM) communication system
- ▶ VIP pilot and passenger seat assembly.

Passenger seats designed for comfort

Foot rest to facilitate boarding and alighting

Sound proofing to bring down the noise level in the cabin

Fans to enhance passenger comfort
